Exclusions, Expenses Not Covered and General Limitations

Exclusions and Expenses Not Covered

Additional coverage limitations determined by plan or provider type are shown in The Schedule. Payment for the following is specifically excluded from this plan:

- care for health conditions that are required by state or local law to be treated in a public facility.
- care required by state or federal law to be supplied by a public school system or school district.
- care for military service disabilities treatable through governmental services if you are legally entitled to such treatment and facilities are reasonably available.
- treatment of an Injury or Sickness which is due to war, declared, or undeclared.
- charges which you are not obligated to pay or for which you are not billed or for which you would not have been billed except that they were covered under this plan. For example, if Cigna determines that a provider or Pharmacy is or has waived, reduced, or forgiven any portion of its charges and/or any portion of Copayment, Deductible, and/or Coinsurance amount(s) you are required to pay for a Covered Expense (as shown on The Schedule) without Cigna's express consent, then Cigna in its sole discretion shall have the right to deny the payment of benefits in connection with the Covered Expense, or reduce the benefits in proportion to the amount of the Copayment, Deductible, and/or Coinsurance amounts waived, forgiven or reduced, regardless of whether the provider or Pharmacy represents that you remain responsible for any amounts that your plan does not cover. In the exercise of that discretion, Cigna shall have the right to require you to provide proof sufficient to Cigna that you have made your required cost share payment(s) prior to the payment of any benefits by Cigna. This exclusion includes, but is not limited to, charges of a non-Participating Provider who has agreed to charge you or charged you at an In-Network benefits level or some other benefits level not otherwise applicable to the services received.

Provided further, if you use a coupon provided by a pharmaceutical manufacturer or other third party that discounts the cost of a prescription medication or other product, Cigna may, in its sole discretion, reduce the benefits provided under the plan in proportion to the amount of the Copayment, Deductible, and/or Coinsurance amounts to which the value of the coupon has been applied by the Pharmacy or other third party, and/or exclude from accumulation toward any plan Deductible or Out-of-Pocket

Maximum the value of any coupon applied to any Copayment, Deductible and/or Coinsurance you are required to pay.

- charges arising out of or relating to any violation of a healthcare-related state or federal law or which themselves are a violation of a healthcare-related state or federal law.
- assistance in the activities of daily living, including but not limited to eating, bathing, dressing or other Custodial Services or self-care activities, homemaker services and services primarily for rest, domiciliary or convalescent care.
- for or in connection with experimental, investigational or unproven services.

Experimental, investigational and unproven services are medical, surgical, diagnostic, psychiatric, substance use disorder or other health care technologies, supplies, treatments, procedures, drug or Biologic therapies or devices that are determined by the utilization review Physician to be:

- not approved by the U.S. Food and Drug Administration (FDA) or other appropriate regulatory agency to be lawfully marketed;
- not demonstrated, through existing peer-reviewed, evidence-based, scientific literature to be safe and effective for treating or diagnosing the condition or Sickness for which its use is proposed;
- the subject of review or approval by an Institutional Review Board for the proposed use except as provided in the "Clinical Trials" sections of this plan; or
- the subject of an ongoing phase I, II or III clinical trial, except for routine patient care costs related to qualified clinical trials as provided in the "Clinical Trials" sections of this plan.

In determining whether any such technologies, supplies, treatments, drug or Biologic therapies, or devices are experimental, investigational, and/or unproven, the utilization review Physician may rely on the clinical coverage policies maintained by Cigna or the Review Organization. Clinical coverage policies may incorporate, without limitation and as applicable, criteria relating to U.S. Food and Drug Administration-approved labeling, the standard medical reference compendia and peer-reviewed, evidence-based scientific literature or guidelines.

- cosmetic surgery and therapies. Cosmetic surgery or therapy is defined as surgery or therapy performed to improve or alter appearance or self-esteem.
- the following services are excluded from coverage regardless of clinical indications: abdominoplasty; panniculectomy; rhinoplasty; redundant skin surgery; removal of skin tags; acupuncture; craniosacral/cranial

therapy; dance therapy; movement therapy; applied kinesiology; rolfing; prolotherapy; and extracorporeal shock wave lithotripsy (ESWL) for musculoskeletal and orthopedic conditions.

- dental treatment of the teeth, gums or structures directly supporting the teeth, including dental X-rays, examinations, repairs, orthodontics, periodontics, casts, splints and services for dental malocclusion, for any condition. Charges made for services or supplies provided for or in connection with an accidental Injury to teeth are covered provided a continuous course of dental treatment is started within six months of an accident.
- for medical and surgical services, initial and repeat, intended for the treatment or control of obesity including clinically severe (morbid) obesity, including: medical and surgical services to alter appearance or physical changes that are the result of any surgery performed for the management of obesity or clinically severe (morbid) obesity; and weight loss programs or treatments, whether prescribed or recommended by a Physician or under medical supervision.
- unless otherwise covered in this plan, for reports, evaluations, physical examinations, or hospitalization not required for health reasons, including but not limited to employment, insurance or government licenses, and court-ordered, forensic or custodial evaluations.
- court-ordered treatment or hospitalization, unless such treatment is prescribed by a Physician and listed as covered in this plan.
- any services or supplies for the treatment of male or female sexual dysfunction such as, but not limited to, treatment of erectile dysfunction (including penile implants), anorgasm, and premature ejaculation.
- medical and Hospital care and costs for the infant child of a Dependent, unless this infant child is otherwise eligible under this plan.
- non-medical counseling and/or ancillary services, including but not limited to Custodial Services, educational services, vocational counseling, training and, rehabilitation services, behavioral training, biofeedback, neurofeedback, hypnosis, sleep therapy, return to work services, work hardening programs and driver safety courses.
- therapy or treatment intended primarily to improve or maintain general physical condition or for the purpose of enhancing job, school, athletic or recreational performance, including but not limited to routine, long term, or maintenance care which is provided after the resolution of the acute medical problem and when significant therapeutic improvement is not expected.
- consumable medical supplies other than ostomy supplies and urinary catheters. Excluded supplies include, but are not

limited to bandages and other disposable medical supplies, skin preparations and test strips, except as specified in the “Home Health Care Services” or “Breast Reconstruction and Breast Prostheses” sections of this plan.

- private Hospital rooms and/or private duty nursing except as provided under the Home Health Care Services provision.
- personal or comfort items such as personal care kits provided on admission to a Hospital, television, telephone, newborn infant photographs, complimentary meals, birth announcements, and other articles which are not for the specific treatment of an Injury or Sickness.
- artificial aids, including but not limited to corrective orthopedic shoes, arch supports, elastic stockings, garter belts, corsets and dentures.
- aids or devices that assist with non-verbal communications, including but not limited to communication boards, pre-recorded speech devices, laptop computers, desktop computers, Personal Digital Assistants (PDAs), Braille typewriters, visual alert systems for the deaf and memory books.
- eyeglass lenses and frames and contact lenses (except for the first pair of contact lenses or the first set of eyeglass lenses and frames, and associated services, for treatment of keratoconus or following cataract surgery).
- routine refractions, eye exercises and surgical treatment for the correction of a refractive error, including radial keratotomy.
- all non-injectable prescription drugs, unless Physician administration or oversight is required, injectable prescription drugs to the extent they do not require Physician supervision and are typically considered self-administered drugs, non-prescription drugs, and investigational and experimental drugs, except as provided in this plan.
- routine foot care, including the paring and removing of corns and calluses and toenail maintenance. However, foot care services for diabetes, peripheral neuropathies and peripheral vascular disease are covered when Medically Necessary.
- membership costs or fees associated with health clubs, weight loss programs and smoking cessation programs.
- genetic screening or pre-implantations genetic screening. General population-based genetic screening is a testing method performed in the absence of any symptoms or any significant, proven risk factors for genetically linked inheritable disease.
- dental implants for any condition.
- fees associated with the collection or donation of blood or blood products, except for autologous donation in anticipation of scheduled services where in the utilization

review Physician's opinion the likelihood of excess blood loss is such that transfusion is an expected adjunct to surgery.

- blood administration for the purpose of general improvement in physical condition.
- cost of biologicals that are immunizations or medications for the purpose of travel, or to protect against occupational hazards and risks.
- cosmetics, dietary supplements and health and beauty aids.
- enteral feedings, supplies and specially formulated medical foods that are prescribed and non-prescribed, except for infant formula needed for the treatment of inborn errors of metabolism.
- for or in connection with an Injury or Sickness arising out of, or in the course of, any employment for wage or profit.
- massage therapy.
- expenses incurred by a participant to the extent reimbursable under automobile insurance coverage. Coverage under this plan is secondary to automobile no-fault insurance or similar coverage. The coverage provided under this plan does not constitute "Qualified Health Coverage" under Michigan law and therefore does not replace Personal Injury Protection (PIP) coverage provided under an automobile insurance policy issued to a Michigan resident. This plan will cover expenses only not otherwise covered by the PIP coverage.

- expenses incurred outside the United States other than expenses for Medically Necessary urgent or emergent care while temporarily traveling abroad.

General Limitations

No payment will be made for expenses incurred for you or any one of your Dependents:

- for charges by a Hospital owned or operated by or which provides care or performs services for, the United States Government, if such charges are directly related to a military-service-connected Injury or Sickness.
- to the extent that you or any one of your Dependents is in any way paid or entitled to payment for those expenses by or through a public program, other than Medicaid.
- to the extent that payment is unlawful where the person resides when the expenses are incurred.
- for charges which would not have been made if the person had no insurance.
- to the extent that they are more than Maximum Reimbursable Charges.
- to the extent of the exclusions imposed by any certification requirement shown in this plan.
- expenses for supplies, care, treatment, or surgery that are not Medically Necessary.
- charges by any covered provider who is a member of your family or your Dependent's family.
