Medicare Part D Notice

Important Notice from Proofpoint, Inc. About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Proofpoint, Inc. and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
 2. Proofpoint, Inc. has determined that the prescription drug coverage offered by the Proofpoint, Inc. Welfare Benefits Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.
-

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your Proofpoint, Inc. coverage will not be affected. See below for more information about what happens to your current coverage if you join a Medicare drug plan.

Since the existing prescription drug coverage under Proofpoint, Inc. Welfare Benefits Plan is creditable (e.g., as good as Medicare coverage), you can retain your existing prescription drug coverage and choose not to enroll in a Part D plan; or you can enroll in a Part D plan as a supplement to, or in lieu of, your existing prescription drug coverage.

If you do decide to join a Medicare drug plan and drop your Proofpoint, Inc. prescription drug coverage, be aware that you and your dependents can only get this coverage back at open enrollment or if you experience an event that gives rise to a HIPAA Special Enrollment Right.

CMS Form 10182-CC Updated April 1, 2011 According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-0990. The time required to complete this information collection is estimated to average 8 hours per response initially, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Proofpoint, Inc. and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Women's Health and Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, the following deductibles and coinsurance apply:

Plan	Coverage
Cigna CDHP	\$2,000 individual/\$1,500 family deductible; 10% coinsurance
Cigna PPO	\$250 individual/\$500 family deductible; 10% coinsurance
Kaiser CDHP	\$1,500 individual/\$3,000 family deductible; 10% coinsurance

If you have concerns about your plan's compliance with WHCRA or would like more information, contact our help line at 1-877-267-2323, extension 6-1565 or at phig@cms.hhs.gov.

Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours). If you would like more information on maternity benefits, contact benefits@proofpoint.com.

HIPAA Notice of Special Enrollment Rights

If you decline enrollment in Proofpoint's health plan for you or your dependents (including your spouse) because of other health insurance or group health plan coverage, you or your dependents may be able to enroll in Proofpoint's health plan without waiting for the next open enrollment period if you:

- Lose other health insurance or group health plan coverage. You must request enrollment within 31 days after the loss of other coverage.
- Gain a new dependent as a result of marriage, birth, adoption, or placement for adoption. You must request health plan enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.
- Lose Medicaid or Children's Health Insurance Program (CHIP) coverage because you are no longer eligible. You must request medical plan enrollment within 60 days after the loss of such coverage.

If you request a change due to a special enrollment event within the 31 day timeframe, coverage will be effective the date of birth, adoption or placement for adoption. For all other events, coverage will be effective the first of the month following your request for enrollment. In addition, you may enroll in Proofpoint's health plan if you become eligible for a state premium assistance program under Medicaid or CHIP. You must request enrollment within 60 days after you gain eligibility for medical plan coverage. If you request this change, coverage will be effective the first of the month following your request for enrollment. Specific restrictions may apply, depending on federal and state law.

Note: If your dependent becomes eligible for a special enrollment right, you may add the dependent to your current coverage or change to another health plan.

Availability of Privacy Practices Notice

We maintain the HIPAA Notice of Privacy Practices for Proofpoint, Inc. describing how health information about you may be used and disclosed. You may obtain a copy of the Notice of Privacy Practices by contacting benefits@proofpoint.com.

Notice of Choice of Providers

The Kaiser HMO generally requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact the Kaiser Permanente Member Services Contact Center at 1-800-464-4000 or logon to kp.org.

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from Kaiser or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact the Kaiser Permanente Member Services Contact Center at 1-800-464-4000 or logon to kp.org.

Premium Assistance under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2022. Contact your State for more information on eligibility –

Notice of Certain Deadline Extensions and Summary of Material Modifications

Prepared for Proofpoint, Inc. Welfare Benefits Plan Participants
Effective January 1st, 2023

This document provides notice of the potential expiration of the deadline relief that began on March 1, 2020 and an explanation of how that expiration will affect certain deadlines tolled under prior guidance applicable to ERISA plans. Specifically deadlines cannot be tolled for longer than one-year, so depending on the date an individual action would have been required, some deadline extensions will be expiring on February 28, 2021. Whether deadlines are tolled or resume will depend on the specific date you were required to take action or provide notice to the plan. This is a Summary of Material Modifications (“Summary”) to the extent those extensions applied to ERISA benefits under the Proofpoint, Inc. Welfare Benefits Plan (“the Plan”). You should take the time to read this Summary carefully and keep it with the Summary Plan Description (“SPD”) document that was previously provided to you. If you need another copy of the SPD or if you have any questions regarding these changes to the Plan, please contact benefits@proofpoint.com or visit our website at www.benefits.proofpoint.com.

End of Relief Period Extending Certain Deadlines in Response to the COVID-19 Crisis will Depend on the Date an Individual Action Would Have been Required with some Deadlines resuming Feb. 28, 2021

On April 28, 2020 Multi-Agency guidance extended certain deadlines that apply to group health plans that fall within the COVID-19 outbreak period beginning March 1, 2020. Those deadlines included and were limited to the following:

- The 30-day period to request special enrollment under HIPAA (or 60-day period as applicable to CHIP enrollment requests);
 - employees, spouses, and new dependents are allowed to enroll upon marriage, birth, adoption, or placement for adoption;
 - employees and dependents are allowed to enroll if they had declined coverage due to other health coverage and then lose eligibility or lose all employer contributions towards active coverage;
 - employees and their dependents are allowed to enroll upon loss of coverage under a state Children's Health Insurance Program (CHIP) or Medicaid or who are eligible to receive premium assistance under those programs;
- The 60-day election period for COBRA continuation coverage;
- The deadline for making COBRA premium payments;
- The 60-day deadline for individuals to notify a plan of a COBRA qualifying event or determination of disability;
- The deadline for individuals to file an ERISA benefit claim under the plan's claims procedure (including a H-FSA run out period deadline that ends during the outbreak period); or
- The deadline for claimants to file an appeal of an adverse benefit determination, a request for an external review, and to file information related to a request for external review for an ERISA plan.

The period that these deadlines can be tolled is limited to one year. On Feb. 28, 2021, one year from March 1, 2020, some of the above timelines will no longer be tolled.

Individual timeframes listed above that are subject to deadline relief will have the applicable deadlines disregarded only until the earlier of: (a) 1 year from the date they were first eligible for relief, or (b) 60 days after the announced end of the National Emergency (the end of the Outbreak Period). On those individualized applicable dates, the timeframes for employees/participants with periods that were previously tolled will resume.

Examples and Explanations:

If a qualified beneficiary would have been required to make a COBRA election by March 1, 2020, the individual can wait until February 28, 2021, which is the earlier of 1 year from March 1, 2020 or the end of the Outbreak Period. Because the individual had 60 days to elect before the start of the Outbreak he or she would need to make an election by February 28, 2021.

If a qualified beneficiary would have been required to make a COBRA election by March 1, 2021, the Notice delays that election requirement until the earlier of 1 year from that date (March 1, 2022) or the end of the Outbreak Period, with the possibility of an additional 60-day extension.

If an individual experienced the birth of a child in February 2021 and the National Emergency was declared over July 1, 2021 (**hypothetically**), the employee would have 60 days from the end of the National Emergency plus 30 days under HIPAA to give notice of the birth to request enrollment from the plan, September 29, 2021.

Again, if you have any questions regarding these changes to the Plan or your specific circumstances, please contact benefits@proofpoint.com or visit our website at www.benefits.proofpoint.com.
